

JARDENA LONDON

BUSINESS TRANSFORMATION CONSULTANT

MEET JARDENA

Jardena is a consultant (the good kind), author, speaker, and CEO of Rosetta Agile. She has spent the last 25 years finding ways to transform organizations to nourish our souls while producing practical outcomes. Jardena started out as a programmer who thought technology could eliminate people's problems. She quickly learned that the solution wasn't tech.

At age 27, she was CEO and co-founder of her first successful software business. She then moved into Agile which led quickly to Organizational Transformations. Her experiences in technology, entrepreneurship, and leadership have created a dynamic lens through which she views the challenges that organizations face.

Jardena's mission is to help organizations connect the dots between thriving people and thriving financials. Jardena has spoken on many stages worldwide, written a library of thought-provoking blogs and featured articles, as well as her highly praised book, *Cultivating Transformations: A Leader's Guide to Connecting the Soulful and the Practical*.

Jardena is a leading speaker and writer who captures the attention of her audience with her message in a clear and compelling way. She expresses her insights in a way that is easy, and relatable and captivates her audience when she speaks, whether it's with her strong stage presence or her written word.

Let Jardena connect with your audience on stage, on your podcast, or as a guest blogger or editor. She will bring a unique edge and connect with your audience on a personal level.
